

# LET'S CONNECT TO GET SC CONNECTED.

**Wednesday, April 5th | 10:00 AM**

**JOIN VIRTUAL EVENT**

We're committed to reliable, high-speed internet for all South Carolinians. Please join us for a virtual event detailing the GetConnectedSC initiative. We'll share our plans for transforming our communities and talk about the Better-Internet Survey designed for counties and cities. And, together we'll begin the march toward a stronger, more connected South Carolina.
