

South Carolina Association of Counties
Workers' Compensation and Property & Liability Trusts
2023 Service Award
Application

County/Member - _____

This award seeks to recognize risk managers who have reached out to help others promote risk management. By “others” we mean other risk managers in the Insurance Trusts and your local community. Please identify specific actions you or the person you are nominating have taken to promote the concepts of risk management and safety for other members of the Insurance Trusts and /or your local community. Activities could include visits to other risk managers or sharing of information. Posting responses on the South Carolina Counties Risk Management Forum should also be included. Providing and sharing information via phone calls and e-mail should be included.

Briefly describe examples that illustrate helping others promote risk management that has occurred during the period 7/1/22 – 7/1/23 and attach supporting documentation if available.
