Advocate. Collaborate. Educate.

SCAC has a strong resume

As members of the SC Association of Counties, all 46 counties, elected officials and employees have access to SCAC's programs and services. Here are some of our offerings designed to build connections, share information, and help counties to better serve their citizens.

ADVOCATE for County Government

- Monitor legislation moving through the SC General Assembly
- Publish weekly updates during the session via the *Friday Report*
- Send Legislative Alerts when bills require immediate action
- Provide Legislative session wrap-ups and the annual *Acts that Affect Counties* publication
- Work through the county attorney to resolve legal issues that affect county government operations.

COLLABORATE to Assist Counties

- SC Counties Workers' Compensation and Property & Liability Trusts
- Setoff Debt Program
- Competitive purchasing discounts
- Online Career Center

SCAC works for YOU

EDUCATE and Build Knowledge

- Host conferences including:
 - Annual Conference in July/August
 - Fall Advocacy Meeting in October
 - Legislative Conference in December
 - Counties Connect: A Legislative Action Day in February
- Present the Institute of Government for County Officials—a certificate program with classes offered several times a year
- Offer the Local Government Attorneys' Institute—an annual source for CLE credits
- Provide orientations for newly elected council members and countywide officials—held every two years
- Produce annual training for planning and zoning officials
- Conduct research and offer technical assistance
 - Property Tax Report—published annually
 - Wage and Salary Report—published every other year
 - Technical research bulletins and surveys
 - Online forum discussions for county officials
- Host our Annual Awards program showcasing counties' successes
- Communicate regularly through:
 - The monthly County COMPASS e-newsletter
 - Our quarterly County Focus magazine
 - Social media channels
 - The SC Counties events app

Data Network Solutions

PURPOSE-BUILT FOR COUNTY GOVERNMENT

SC counties rely on technology to deliver essential services and protect sensitive data. Data Network Solutions (DNS) partners with county governments across SC to design, deploy, and support secure, scalable IT infrastructure built for today's demands and tomorrow's growth.

WHY SOUTH CAROLINA COUNTIES CHOOSE DNS

- Proven experience supporting local and county governments
- Deep understanding of public-sector security and compliance
- Scalable solutions aligned to long-term county initiatives
- Local expertise with a partnership-first approach

DNS SOLUTIONS THAT SUPPORT COUNTY OPERATIONS

- Networking & Connectivity
- Cybersecurity
- Data Center & Cloud Solutions
- Professional Services

STAYING POWER.

Made in the south.
Perfected in South Carolina.

Powered by South Carolina's Electric Cooperatives.

Our story is best told through the success of our members. Since 1988, South Carolina Power Team has been championing great stories through industry recruitment and by offering highly reliable power through South Carolina's electric cooperatives. As an essential economic development partner, we continue to commit resources and incentives to help businesses thrive in South Carolina, and we play an essential role in the creation of job and career opportunities for those we serve.

SC Counties Insurance Trusts

By SC Counties for SC Counties

The SC Counties Property & Liability Trust and Workers' Compensation Trust are run by members to meet the unique challenges facing county government operations. A Board of Trustees consisting of seven county officials oversee the trusts. It meets several times a year to review claim trends, financials, and discuss mitigation strategies.

Member Benefits

- ✓ Tailored coverages and services
- ✓ Long-term budget stability
- ✓ Local Service in a one-stop shop
- ✓ Specialized risk control services
 - Consultations and specialized training for sheriff's offices and detention centers
- ✓ Educational video library
- ✓ Real-time online claims access and monthly reporting
