12 million - 9.3M = 2.7M
(Remaining pro rata funds)

113.8. (AS-TREAS: Rural County Stabilization Fund)

There is created in Aid to Subdivisions-State Treasurer the Rural County Stabilization Fund. Any county that has population growth, as determined by the 2020 Census, of less than 5.35% since the 2010 census shall be eligible to receive monies from the fund as follows:

- (1) a baseline of \$300,000 to each eligible county;
- (2) an additional \$100,000 to eligible counties with a population between 50,000 and 99,999; and
- (3) an additional \$200,000 to eligible counties with a population of more than 100,000.\

After disbursal of funds, any monies remaining shall be distributed to each eligible county on a pro rata basis. In the event the amount of funds in the Rural County Stabilization Fund is not sufficient to provide monies to counties according to the above formula, the amounts distributed to counties shall be reduced on a pro rata basis. After disbursal of funds, any monies remaining shall be distributed to each eligible county on a pro rata basis. In the event the amount of funds in the Rural County Stabilization Fund is not sufficient to provide monies to counties according to the above formula, the amounts distributed to counties shall be reduced on a pro rata basis.
