1. What has been closed with the newest executive order?

Any public beach access and parking areas and other public facilities associated with the access points have been closed. Public piers, docks, wharfs, boat ramps, and boat landings providing public access to the public waters of this State, to include any adjacent or associated public parking lots or other public facilities, shall be closed to public access for recreational purposes for the duration of the State of Emergency. This does not apply to individuals possessing a current, valid commercial fishing license or permit to the extent such individuals seek to utilize or rely upon public piers, docks, wharfs, boat ramps, or boat landings in connection with commercial fishing activities.

2. How long will this executive order last?

This order will last until the current State of Emergency ends, or until otherwise rescinded by the Governor.

3. Does that include the landings within SCDNR Wildlife Management Areas (WMA) and Heritage Preserve (HP) lands? What about State Lakes?

Yes, this executive order closes landings within all SCDNR WMA and HP lands, as well as on the 18 state lakes. This does not apply to individuals possessing a current, valid commercial fishing license or permit to the extent such individuals seek to utilize or rely upon public piers, docks, wharfs, boat ramps, or boat landings in connection with commercial fishing activities.

4. Does this order apply to privately-owned ramps?

No, this order does not close privately-owned ramps or docks.

5. Is a private neighborhood dock considered public under this order?

No, this order does not close privately-owned ramps or docks.

6. Can I just buy a commercial fishing licenses so I can fish?

The executive order does **not** prohibit fishing but it does restrict access to public facilities for recreational purposes. The executive order states that all public piers, docks, wharfs, boat ramps, and boat landings providing public access to the public waters of this State, to include any adjacent or associated public parking lots or other public facilities, shall be closed to public access for recreational purposes for the duration of the State of Emergency. Anchoring to fish in a boat is allowed, subject to the provisions of the Governor's previous Executive Orders limiting congregation to groups of three or less. Rafting and beaching are prohibited under all circumstances. In order to meet the exemption to access a public boat facility or pier, an individual must both possess a current, valid commercial fishing license or permit **and** must seek to utilize or rely upon public piers, docks, wharfs, boat ramps, or boat landings in connection with commercial fishing activities.

7. I don't have a boat and only go to the landings to bank fish. Is that still okay?

The executive order does **not** prohibit fishing but it does restrict access to public facilities for recreational purposes. If it is a public facility, it is closed for recreational purposes. The executive order states that all public piers, docks, wharfs, boat ramps, and boat landings providing public access to the public waters of this State, to include any adjacent or associated public parking lots or other public facilities, shall be closed to public access for recreational purposes for the duration of the State of Emergency. The prohibition does not apply to individuals possessing a current, valid commercial fishing license or permit to the extent such individuals seek to utilize or rely upon public piers, docks, wharfs, boat ramps, or boat landings in connection with commercial fishing activities. The closure does not affect privately owned facilities. The Governor's previous Executive Orders prohibiting congregation in groups of three or more still applies.

8. I have a boat and I just want to fish. Is that allowed?

The executive order does **not** prohibit fishing, but it does restrict access to public facilities for recreational purposes. The executive order states that all public piers, docks, wharfs, boat ramps, and boat landings providing public access to the public waters of this State, to include any adjacent or associated public parking lots or other public facilities, shall be closed to public access for recreational purposes for the duration of the State of Emergency. This does not apply to private facilities. Anchoring to fish in a boat is allowed, subject to the provisions of the Governor's

previous Executive Orders enforcing social distancing guidelines. Rafting and beaching whether on a sandbar, lakeshore, riverbank, or island is prohibited.

9. Does this order apply to fishing piers?

The executive order applies to publicly owned or controlled fishing piers. This does not apply to privately owned facilities. All public piers, docks, wharfs, boat ramps, and boat landings providing public access to the public waters of this State, to include any adjacent or associated public parking lots or other public facilities, shall be closed to public access for recreational purposes for the duration of the State of Emergency.

10. Does this apply to fishing charters?

The executive order does not prohibit fishing but it does restrict access to public facilities for recreational purposes. The prohibition does not apply to individuals possessing a current, valid commercial fishing license or permit to the extent such individuals seek to utilize or rely upon public piers, docks, wharfs, boat ramps, or boat landings in connection with commercial fishing activities. The Governor's previous Executive Orders enforcing social distancing guidelines still apply.

11. Can I put my boat in and stay by the sandbar?

No. Beaching or rafting of boats, whether on a sandbar, lakeshore, riverbank, or island is prohibited. Vessels must remain underway at all times unless exigent circumstances exist, or unless anchoring to fish. The Governor's previous Executive Orders enforcing social distancing guidelines still apply.
