## Action on User Fee Legislation Needed

[S. 984](#), the bill to secure counties' authority to impose road fees and other user fees, is pending third reading in the Senate. The bill must be approved by the time the Senate adjourns tomorrow, Thursday, April 7 to meet the critical crossover deadline. Please contact your Senator to relay the importance of this legislation and implore them to encourage its passage. **Every Senator must be contacted today if we are to avoid an unprecedented property tax increase!**
