Action on User Fee Legislation Needed

[S. 984](#), the user fee legislation, was given a favorable report by a Ways and Means subcommittee this afternoon and will be debated by the full Ways and Means Committee on Thursday. During the hearing, several House members expressed concern with the legislation and its impact on taxpayers. For this bill to pass this year, it must get a favorable report at the full committee hearing on Thursday. **Please contact your House members ASAP and ask that they support this important legislation. Please also ask that they relay to their friends on Ways and Means the need to support this legislation.** A roster of the Ways and Means Committee is below.
