<ul style="list-style-type: none"> Statement on the perceived need for new or revised standard 	<p>Standard states that the following shall be included in jail management training:</p> <ul style="list-style-type: none"> (a) Fiscal and personnel management (b) Administrative and logistical support management (c) Correctional program development (d) Jail planning (e) Legal problems in jail administration (f) Community relations (g) Community resources for juvenile detention alternatives (h) Suicide prevention.
Proposal explanation	<p>The question is do we put in the standard what we want to drive the SCCJA to include in the jail management training or simply state that the SCJAA will develop the curriculum? If we want to have the standard dictate the curriculum, we will need to insure the SCCJA is aware and in compliance with the standard. I'm not 100% sure the JMT current curriculum complies with this standard.</p>
